Project Title: Van-dwelling Website

This site will feature multiple pages with a navigation bar across the top. Each page will focus on a specific aspect of van-dwelling, with content and visuals to make the site informative and engaging.

- Home page
    - Shows images of van, and people who are living in it
    - General information, and catch line
- History
    - History of van life
- Lifestyle and Community
    - Description of daily life in a van, including routines and adjustments
    - Insights into the community aspects of van-dwelling, such as meet-ups, online forums, and supportive networks
- Van-Dwelling Culture and Social Impact
    - Exploration of the "van life" movement and its cultural significance
- Legal and Practical Considerations
- The Future of Van-Dwelling
    - Impact of rising housing costs and remote work on van-dwelling
- Sources
